Art Unit: 3634

This application is in condition for allowance except for the following formal matters:

In the specification, on page 3, paragraph 3, the applicant recites "a plate 40 fixed to shaft 30 acts as a compression member", "A sleeve 42", "respect to sleeve 44", and "so as to draw compression member 40 toward compression member 40" (not readily understood). On page 4, line 12, "compression plate 40" is recited. It appears that clearly and consistency should be maintained throughout the entire specification.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

Any inquiry concerning this communication should be directed to Jerry Redman at telephone number 703-308-2120.
